Verden Online Auction in April

Verden. A large selection of dressage, show jumping and leisure horses for professionals and amateurs in one place, vet-checked and independent from the exhibitor – that's what the Verden auctions offer. The collection includes 57 selected dressage horses and 19 show jumpers. They have moved into their boxes at the Niedersachsenhalle and can be tried out by appointment. The final bid up for the online auction will start on Saturday, April 20, at 2 pm CET.

The title heroine of the Verden Online Auction in April is the Lux/Concetto daughter Lucy (breeder: Arend Exeriede, Fladderlohausen), who found a new owner in the Niedersachsenhalle in 2017. The eleven-year-old has now arrived in the advanced class. With Maren Hoffmann, she is celebrating victories and placings up to 1.50 metre jumping classes. Her goal: to take part in the German Championships in Balve. The collection will be opened by the four-year-old London Swing by Livaldon/Weltruhm (breeder: Bodo Mahlstedt, Schiffdorf, exhibitor: JAM-Stables, Muntendam/NED). This typey youngster has what it takes to mature into a class horse. Carla Mia by Carridam/Perigueux (breeder: Uwe Brennenstuhl, Lüchow, exhibitor: Peter Baust, Hesse), opens the selection of show jumpers. The Hannoveraner premium candidate is ready to go straight away, she has already won tests for young show jumpers.

The opening presentation on Saturday, April 13, can not only be followed in the Niedersachsenhalle, it will also be broadcast live on the internet, as will the free

jumping on Friday, April 19. The first bids on the dream horses can be placed online from Sunday, April 14.
