Round two of the Verden Foal Spring Online auction every second Thursday

Verden. The second round of the Verden Foal Spring is about to start. Next Thursday, May 12th, interested parties have the choice between 24 quality fillies and colts. Highly interesting offspring of young sires like Total Diamond and Valensky are part of the exclusive collection as well as foals of proven sires like Escolar and Cornet Obolensky. Bids can be submitted now, the final bid up will start on Thursday at 7.30 pm CET.

A special colt from the dressage cadre with a high breeding pedigree opens the foal auction collection: Vitalisation by Vitalis/Apache (breeder and exhibitor: Johannes Baumeister, Kranenburg). The chestnut with outstanding basic movements is followed by the Secret/Danciano son Superdry (breeder and exhibitor: Hans-Heinrich Eggersgluß, Soltendieck) out of the dam line of Sporthaus, who already celebrated Olympic success with Mark Todd's NZB Campino.

The final Bid Up starts on Thursday, 12 May, at 7.30 pm. Until June, the Verden Foal Spring offers three more online auctions. The collections are highly interesting and carefully selected. Last year about 170 foals found a new home on this occasion, not only in Germany but worldwide. The next opportunity to purchase an excellent Hannoveraner foal directly at the source in Verden will be 14 days later on May 25. This will be followed by online auctions on June 9 and 23.
