Foal spring picks up speed

Verden Auction Online – Foals

Verden. The Verden Foal Spring is picking up speed. Due to the public holiday on Thursday, the second round of online auctions will start on Wednesday, May 8. Bidding on the carefully selected collection is already open on the Internet. The final bidding for the first foal will start at 7 pm CET at www.verdener-auktion-online.com.

25 young dressage and show jumping hopefuls are waiting for new owners. The collection offers a mixture of highly interesting colts and fillies. These include offspring of attractive young stallions such as V-Power, Escanto PS, Captain Pezi and Most wanted Nero by Bellin as well as proven sires such as Aganix du Seigneur, Sezuan's Donnerhall and Despacito.

The Verden Foal Spring has established itself and has become an integral part of the Verden auction stage. All breeders have the opportunity to present their foals to the selection committee until June 8.

The online foal auctions on Thursday evenings take place every two weeks. The next opportunity to purchase an excellent Hannoveraner foal directly at the source in Verden will be in 14 days on May 23. This will be followed by the online auctions on June 6 and June 27.
