Verden Foal Spring – Round Two

Online auction every second Thursday

Verden. After the very successful start a fortnight ago, the Verden Foal Spring opens its virtual doors for the second time. On Thursday, May 11, 21 selected representatives born in 2022 will be auctioned off at the final bid up from 7 pm CET. Bids can already be placed on the internet.

The collection contains a mixture of highly interesting colts and fillies. Among them are offspring of shooting stars like St. Athletique, Omar Sharif and Santos as well as proven sires like Kjento, Contagio, Comme il faut and Dynamic Dream.

The Verden Foal Spring offers three more online auctions. The collections are highly interesting and carefully selected. Last year about 150 foals found a new home on this occasion not only in Germany but worldwide. The final bidding will start on Thursday, 11 May, at 7 pm. The next opportunity to purchase an excellent Hannoveraner foal directly at the source in Verden will be 14 days later on May 25. This will be followed by the online auctions on June 8 and June 22.
