Future in their pedigree – success in sight

51st Elite Foal and Broodmare Auction

Verden. The collection of the 51st Elite Foal and Broodmare Auction of the Hannoveraner Verband combines quality, type and prospects: over 100 foals from performance-tested dam lines and exciting pairings, complemented by in-foal mares with promising genetics. The OnLive auction begins on Saturday, 26 July, at 2 p.m. on the show grounds outside the Niedersachsenhalle. Bids can already be placed online.

Many former Verden auction foals are now internationally successful in sport – a strong sign of a breeding programme with vision. Diallo with Jessica von Bredow-Werndl, Toys with Jörne Sprehe and Florinio with Anna-Lena Kracht are current examples. Cathrine Laudrup-Dufour's Olympic horse Mount St. John Freestyle was also discovered at the Elite Foal and Broodmare Auction.

On Saturday, 26 July, the presentation of the foals will begin at 10 a.m. in the open air. The auction will start at 2 p.m. – live on site, by telephone or conveniently online. The event will also be broadcast live on the Internet.
