### **Verden Auction Online – Foals and broodmares**

**Verden. At 9:21 pm it was clear: Viva Deichliebe leads the price statistics of the Verden Auction Online – Foals and broodmares with the price of 17,000 Euros. On average, about 6,300 Euros had to be invested for the 47 representatives of the year 2023 at the season's end of the foal auctions of the Hannoveraner Verband.**

After 20 minutes with numerous online bids, a customer from the Munich area had the last bid of 17,000 Euros for the Vivaldos/Diamond Hit daughter Viva Deichliebe (breeder and exhibitor: Jochen Meyer, Allwörden). The dark bay dancer has a great dressage career in her cradle. Her dam Deichliebe is a full sister of Deichgraf, who was discovered by dressage rider Stefan Aschenbroich at the Verden Elite Auction and celebrated his first placings in Prix St. George this summer. And the five-year old St.Pr.A. Die kleine Deichliebe is competing at S\* level in the dressage arena.

Two foals with a jumping pedigree cost 10,000 Euros. One week after the Zinedine son Zineday became European Vice Champion with Germany's Philipp Weishaupt, Zintendro by Zinedine/Contendro (breeder and exhibitor: Helga Christofori, Schwalmtal) found a new owner in Bavaria. Before that, the Conthargos/Chacco-Blue son Candor M (breeder and exhibitor: Marion Menck, Rübhorst) was also sold to Bavaria for 10,000 Euros.
