From Aganix du Seigneur Z to Zirocco Blue

Verden licensing and stallion sales of show jumping stallions

Verden. From November, 30 to December, 2, the licensing and stallion sales of show jumping stallions will take place in Verden. The pedigrees are highly topical and range from Aganix du Seigneur Z to Zirocco Blue. The Hannoveraner Show Jumping Masters will kick things off on Thursday, before the stallions are presented in the free jumping on Friday. On Saturday, the licensing results are eagerly awaited before the stallion sales OnLive begins after the show programme. The event will be broadcasted on the internet.

44 young stallions are competing for the green light at the licensing. In the pedigrees, modern sires, most of them successful in sport, meet valuable dam lines. Three half-blood stallions with excellent prerequisites for eventing enrich the programme. In addition to the 41 two-year-olds, two three-year-olds and one four-year-old are listed in the catalogue. They will also show their talent under the rider.

Breeding and sport go hand in hand in Verden. The licensing days will start on Thursday with the qualifications for the Hannoveraner Show Jumping Masters for four to eight-year-old horses, before the first stallion starts at the showgrounds at 8.30 a.m. on Friday. The warm-up free jumping for two-year-old stallions starts at 11 a.m. This will be followed by the jumping of the three and four-year-old stallions under rider. From 3.00 p.m., the finals of the Hannoveraner Show Jumping Masters will be exciting. On Saturday, the free jumping starts with the announcement of the licensing judgements at 8 a.m..
