Dear Madame, dear Sir,

we are happy to find you interested in our Breed Orientation Course.

The first course was organised in 1986 and in the past it proved to be an excellent opportunity to get friends and breeders of the Hanoverian horse acquainted with our breeding programme and with our method of selection.

Originally, it was established as a seminar for potential judges in co-operation with the American Hanoverian Society. The intention, however, changed. We are now happy to get as many people as possible familiar with our breeding programme, with the type of horse we prefer and with the high standard the Hanoverian breed has achieved.

Please let me make some more remarks on the course:

**1) Fee**

We charge 590.00 EUR for the nine-day course. The fee includes most of the lunches and some of the dinners. Accommodation is not included. To make sure your reservation we ask you to send a deposit of 300.00 EUR within two weeks after having received our confirmation that space is available. Payment can be effected by credit card.

**2) Accommodation**

We will book accommodation at the Hotel Thöles in Verden ([www.thoeles.de](http://www.thoeles.de)). The price for a single room is € 59.00 per night, for a double room € 79.00 per night, including breakfast each.

**3) Application**

We enclose an application form, which we ask you to return to us on or before July 30<sup>th</sup>. As the number of participants is limited, applications will be accepted on a first come basis.

**4) Transportation**

We will provide transportation from and to the airports at Bremen and Hanover and for sure during the course.

We would very much like to welcome you and look forward to your reply.

Yours sincerely,

Dr. Ludwig Christmann
