FOREWORD 11

CHAPTER 1

THE DEVELOPMENT OF THE HANOVERIAN BREED FROM 1735–1960... 12

WILKENS / BADE

Origin of Hanoverian horse breeding 13

The founding period of the Hanoverian breed under the aegis of the State Stud Celle (1735 – 1888). 16

The founding of the State Stud Celle 16

The beginning of organised horse breeding 18

- Consequences of the 2nd Napoleonic War 18
- The term “Hannöversches Pferd” (Hanoverian horse) is born 19
- The era of the brothers v. Spörcken 19

Stallion restocking 21

- Royal Stable and Herrenhausen 21
- Dissolving of the royal stud Herrenhausen 22
- Stallion Raising Station Hunnesruck 23
- Mecklenburg stallions 24
- Thoroughbred and half-bred stallion from England 24

Private stallions 25

The development of the Hanoverian studbook or Verband Hannoverscher Warmblutzüchter (originally “Provinzial-Verband Hannoverscher Warmblutzüchter”) e.V. from 1888 to 1960 26

Private organisations to promote horse breeding before the founding of the Hanoverian Studbook 26

Hannoversche Stutbuchgesellschaft (Hanoverian Studbook Society) from 1888 to 1922 28

- Prerequisites for registration with the studbook for noble warmblood horses 29

- Foal Branding 31
- An administrative board is set up 31
- Regional activities of clubs 32

Development of the Verband from 1922 – 1960 33

- “Provinzial-Verband Hannoverscher Warmblutzüchter (Hannoversche Stutbuchgesellschaft) e.V. is founded (Provincial Society of Hanoverian Warmblood Breeders [Hanoverian Studbook Society]) 33
- Resolutions of the founding assembly 34
- Licensed privately owned Hanoverian stallions are accepted for breeding 34
- Participation at the DLG Exhibition in Hamburg 1923 34
- New regulations for the Hanoverian studbook 35
- Fees 36
- Affiliation of the provincial society to the “Reichsnährstand (government body set up in Nazi Germany to regulate food production) in 1934 36
- Change of name to “Verband hannoverscher Warmblutzüchter e.V.” in 1935 37
- 50 years Hanoverian studbook 37
- Controversial discussion on breeding goal and its implementation by “refining measures and stronger bones” 38
- Gustav Rau and Theodor von Plate (government official) on the situation of the Hanoverian breed in the 20s and 30s 40
- The struggle for survival of the breeders under the pressure of depression 43

The certificate of origin and the brands in the Hanoverian breed 44

- The certificate of origin (foal certificate) 44
- The brands of the State Stud Celle and Verband hannoverscher Warmblutzüchter 45
- Branding of foals by Celle state stud stallions 45
- Branding of foals in responsibility of the Hanoverian Studbook Society respectively Verband hannoverscher Warmblutzüchter 46
- The stylized H-brand was introduced in 1932 46
- How did the H-brand develop? 47

<i>The selection of mares</i>	97
• Studbook registrations.....	97
• Introduction and development of the broodmare tests in Hannover	98
• Broodmare performance test including the minimum requirements test.....	98
• 1987: "Hanoverian Broodmare Performance Test" a single performance test.....	99
• The development of the Hanoverian broodmare tests.....	100
• Mare shows at the Hannoveraner Verband	101
• Show regulations for the mare shows of the Verband.....	102
• The "premium mare" award (Staatsprämienstute).....	103
• The Friedrich Jahncke Show (formerly Otto Ohmstedt-Show and Louis Wiegels-Show)	105
• The Herwart von der Decken Show (from 1979 until 2007 Ratje Niebuhr Show).....	105
• Other awards and prizes for breeders.....	107
<i>The selection of stallions</i>	109
• The development of the licensing of young stallions and the stallion market in Verden since 1960.....	109
• Origin and development of the stallion market in Verden.....	114
• The advance sale - or the reservation of stallions for the State Stud Celle.....	114
• Further changes in the licensing procedure.....	116

• The sale of licensed Hanoverian stallions to other riding horse breeding areas and their influence on the development of the local populations.....	117
• Other stallion licensing	118
• The entry of stallions in the Stallion Book I.....	118
• Honorary prizes for breeders and raisers of stallions and auction horses.....	119
<i>The development of the stallion performance tests</i>	122
• General requirements and execution of the stallion performance test.....	123
• Pulling power as top priority from 1927 to the end of the 1950s.....	123
• Conversion to riding horse characteristics from 1960 to 1975	124
• Test criteria and quantifying factors until 1975	124
• Index rating 1976 to 2010.....	125
• Fundamental changes and breeding value determination from 2011	127
The development of the breeding value estimation	131
• The integrated breeding value estimation of the German Equestrian Federation e.V. (FN)	131
• The Hanoverian breeding value estimation	131
The Rebreeding of the Hanoverian to the exclusive sport horse – a presentation of the effects	134
• The use of refining bloodlines.....	135
• Conclusion.....	139
CHAPTER 3	
BLOODLINES – STALLION LINES AND MARE LINES	140
BADE / HEMPEL	
Active and extinct bloodlines until 1983	144
Current bloodlines from 1995 to present	147
• D – from Detektiv to Desperados.....	152

CONTENT

• Reference to the mares' lines.....	153
• C – from Calypso II (Holst.) (Cor de la Breyere) to Codex One	156
• F – Furioso II (SF) – For Pleasure – Florestan (Rhld.).....	157
• Almé Z – Acord II.....	159
• L – Ladykiller xx – Le Primeur – Lissaro.....	159
• S – Sacramento Song xx – Sandro Hit (Old.).....	160
• R – Ramzes AA – Rubinstein (Westf.) – Rotspon.....	161
• G – Goldfisch II – Gotthard – Grande.....	162
• F – Flick – Flavius – Feiner Kerl.....	166
• W – Flügeladjutant – Woermann – Weltmeyer.....	166
• F – Feiner Kerl – Ferdinand – Werther.....	170
• S – Semper Idem (Trak.) – Senator – Stakkato.....	172
• A – Abglanz (Trak.) – Absatz – Argentan.....	174
• E(A) – Adeptus xx – Espri – Embassy.....	178
• Refining stallions.....	184
• L – Lauries Crusador xx – Londonderry.....	187
• B – Thoroughbred influence via Bolero and his progeny.....	189
• Anglo-Arabian blood.....	191

CHAPTER 4

DIE HANOVERIAN BREED AND HANNOVERANER VERBAND TODAY 192
