

Hanoverian Breed Orientation Course 2018 June 26 – July 1, 2018

Dear Madame, dear Sir,

we are happy to find you interested in our Breed Orientation Course.

The first course was organised in 1986 and in the past it proved to be an excellent opportunity to get friends and breeders of the Hanoverian horse acquainted with our breeding programme and with our method of selection.

Originally it was founded as a seminar for potential judges in co-operation with the American Hanoverian Society. The intention, however, changed. We are now happy to get as many people as possible familiar with our breeding programme, with the type of horse we prefer and with the high standard the Hanoverian breed has achieved.

Please let me make some more remarks on the course:

1) Fee

We charge 400.00 EUR for the six-day course which includes most of the lunches and some of the dinners. Accommodation is not included in the fee. To make sure your reservation we ask you to send a deposit of 200.00 EUR within two weeks after having received our confirmation that space is available. Payment can be effected by credit card.

2) Accommodation

Accommodation will be booked at the hotel „Niedersachsenhof“ in Verden. The price for a double room is 80.00 EUR per night, for a single room 60.00 EUR per night (each incl. breakfast).

3) Application

We enclose an application form, which we ask you to return to us as soon as possible, by 30th April at the latest. Applications will be accepted on a first come basis.

4) Transportation

We will provide transportation from and to the airports at Bremen and Hanover and for sure during the course.

We would very much like to welcome you and look forward to your reply.

Yours sincerely,

Dr. Ludwig Christmann
