## **Vince Vega PJ wins free jumping competition Four-year-olds showed themselves at their best**

**Verden. The son of Viscount/Cassus, Vince Vega PJ, bred by Pferdezucht Dr. Jacobs GbR, Bierbergen, won the competition for four-year-olds descending from the Hannoveraner jumper-breeding programme. “A mindful horse representing the modern sport horse type”, applauded Dieter Smitz, who, along with Thomas Schöning judged 28 representatives of the age group 2013.**

With 27.7 points, noble Vince Vega PJ was high scoring jumping horse of the day. Three years ago his dam, Hann. Pr.St. Candy Jo PJ was runner-up in her class at the free jumping competition for four-year-olds. His grandam is a full sister of the Celle state stud stallion Embassy and of Hans-Dieter Dreher’s top horse Embassy II:

With an impressive performance and 27.1 points, Sun Star Odessa by Spartacus/Cassini II (b.: Ludwig and Lutz Decker GbR, Hohenhameln) came second. Some years ago, her dam participated successfully in the free jumping competition. She descends from the dam line of Klaseta, which produced Hannover’s prepotent sire Grannus. On third place followed Quatschmann by Quaid/Escudo (b. & e.: Andrea Tietze, Uetze) with 25.9 points. The chestnut had already placed third last year in the competition for three-year-olds. “We have seen a homogeneous and strong age group”, summarized Dieter Smitz.

The exhibitors of the winner were not only happy about the sash but also about a free stallion service of the Celle state stud stallion Grey Top. Since 1997, the VGH insurance company has been a loyal supporter of the Hannoveraner Jumper-Breeding Programme.

# Hannoveraner Rhythmus

On April 12th, the free jumping competition for three-year-olds descending from the jumper-breeding programme will take place in Verden
