### 138. Elite-Auktion – Fols and young stallions

**Verden. On the second day of the 138<sup>th</sup> Elite Auction Online, selected foals and two and a half year old stallions with dressage horse pedigrees were in the spotlight. The top price among the foals was achieved by Dynamic in Black, who was auctioned off to Norway for 74,500 Euros. The best paid young stallion was Frankie K, for whom a buyer from the USA invested 55,500 Euros.**

Sixteen bidders showed interest in the Dynamic Dream/De Niro son Dynamic in Black and gave his breeder and exhibitor Axel Baumgartner from Kamern, who has already sent numerous high-class foals to Verden, the top price of 74,500 Euros. The online auction got off to a brilliant start. The very first foal, San Salvador by Sir Donnerhall/Benetton Dream (breeder and exhibitor: Hubertus Poll, Gilten) found a new owner in the Ukraine for 35,500 Euros. Casino Royal by Conthargos/Graf Top (breeder and exhibitor: Willem Klausing GbR, Diepholz) will grow up in Hungary. The bay stallion from the dam line of Pension, to which the Celle state stud stallion Diacontinus also goes back, was the best paid offer with jumping genes in his pedigree with a knock down price of 10,500 Euros.

The 25 representatives of the 2021 vintage achieved an average price of 11,520 Euros and thus set a top mark. Compared to the previous year, the average price was about 1,400 Euros higher. 15 foals remain in Germany, ten were achieved by customers from all over Europe.

The 138<sup>th</sup> Elite Auction Online was completed by a highly interesting lot of young dressage stallions. The two and a half year olds were selected during the pre-selection

for the stallion licensing and met with great interest. Right from the beginning, Frankie K by Franklin/San Amour (breeder and exhibitor: Konstantin Kratzberg, Hildesheim) was the favourite of the buyers. The expressive black stallion did not relinquish this lead until the virtual hammer fell and was sold to a customer from the USA for 55,500 Euros after an international bidding duel. Those who wanted to own one of the 24 highly interesting young talents had to invest an average of 19,646 Euros for their favourite candidate.

The 138<sup>th</sup> Elite Auction will be followed by further highlights in Verden. The stallion licensing and the stallion sales for dressage stallions will take place from 4 to 6 November. On 20 November, around 50 riding horses will be auctioned online, ready for trying from 10 November. The crowning finale of the year will be the stallion licensing and stallion sales of the show jumping stallions from 2 to 4 December, during which the Hannoveraner Show Jumping Masters will also be held.
